

KLEENPAS SANI-STATION

Our patent Pending Hand Sanitizer Station will be fully battery powered.

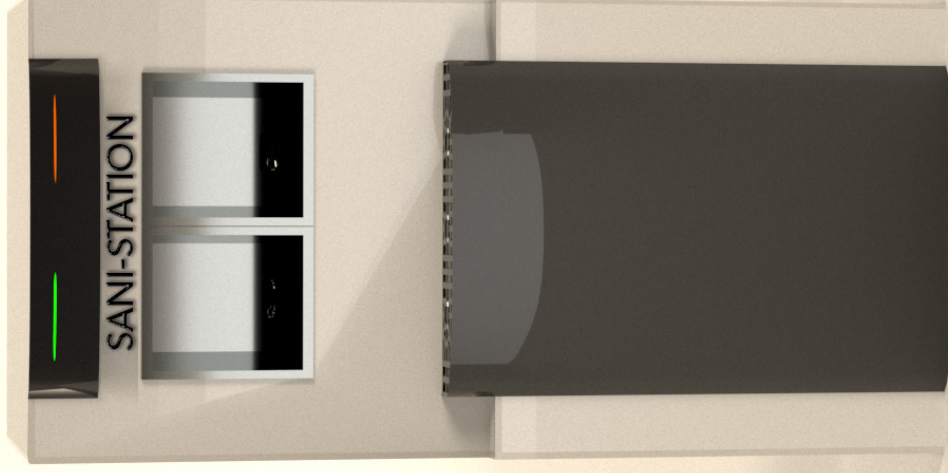

Our station dispenses a ultra-fine spray from both the top and bottom for faster dispensing time. We suggest our KLEENPAS Hand Sanitizer that is plant based (Non-Alcohol) that has a 99.9% kill (3-Log). Will not dry your hands, is safer (no chance of fire). and is non toxic.

We have a large capacity tank.

Plug in units are available.

Will handle any liquid hand sanitizer!

Stainless Steel (304) for long life.

MSRP for this floor unit is \$2,200.00 plus freight!

Available in a smaller wall mount/free standing Unit has an MSRP of \$1,450.00 plus freight.

All orders are made to order.

Lead time for 100 plus unit orders is 15 working days.

Single units lead time is 21 working days.

Looking for National & Local Distribution Partners!
