

# ATMOSPHERE HAND SANITIZER

ALCOHOL ANTISEPTIC 80% • TOPICAL SOLUTION HAND SANITIZER • NON-STERILE SOLUTION

Atmosphere Hand Sanitizer is an extremely effective hand sanitizer designed to combat COVID-19 and is effective at reducing bacteria on skin that could potentially cause disease.

## BENEFITS

- Effective hand sanitizer that does not require hands to be rinsed with water after use
- Formulated in compliance with WHO and FDA requirements for an effective hand sanitizer
- Free flowing liquid allows for liberal and even coverage of hands
- Contains moisturizers to prevent drying of hands
