DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Heavily soiled or greasy surfaces require a pre-cleaning. As a precaution, food should be removed or carefully protected prior to using this product.

HOW TO APPLY TO SURFACES: For best results, clean any surfaces prior to application. Spot test to check compatibility with the surface. Spray thoroughly to wet the surface to be treated. Surfaces should remain wet for 1 minute to 2 minutes. Allow to dry naturally. If desired, wipe dry. No rinse required, even on food contact surfaces. Do not dilute this product. This product is ready-to-use. Do not mix with other products.

CONTAINER DISPOSAL: Dispose of waste material in accordance with federal, state and local environmental laws and regulations. Do not reuse or refill empty containers.

STORAGE: Keep the container sealed tightly when not in use. Keep product in a cool location away from direct sunlight in a secure area inaccessible to children. Store in temperatures between 41°F and 77°F.

CONDITIONS OF SALE: Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on the label when used in accordance with directions under normal use and conditions. Inefficacy, or other unintended consequences may result from factors, such as weather conditions, presence of other materials, or the manner of use or application, which are beyond the control of the seller. In no case shall seller or its affiliates be liable for consequential, special or indirect damages resulting from the use, handling, or shipping of this product. No warranty is expressed or implied, including warranty of merchantability or fitness for a particular purpose.
