

# Providing **Salesforce Solutions & IT Services** to Help Business Transform

At SalesHub, we provide AI-powered Salesforce solutions to help businesses excel in front-office functions. Our key differentiators include the NPS Survey, TracAnything, and the ability to build a Salesforce-powered solution, ensuring success in a dynamic business world.

## Who We Are

SalesHub, LLC, founded in 2018, is a premier Salesforce Consulting Partner and Independent Software Vendor (ISV) based in North America. With a strong focus on customer-centric solutions, SalesHub drives digital transformation across the Front Office (Sales, Service, Marketing and Operation). We leverage Salesforce cloud-based technologies to help our clients accelerate, automate, and optimize their operations, delivering measurable business outcomes.

## Why Choose Us

### Deep Industry Experience

We are committed to providing innovative solutions that will help create a better tomorrow for everyone.

### Customer-Centric Approach

We place our clients at the center of everything we do, ensuring that our solutions are tailored to their unique needs and deliver tangible business value.

### Rapid Value & Innovation-Driven

Continuous investment in innovation, particularly in AI and automation, to keep our clients ahead of the competition.
