

Legacy Fire Training Academy

**ACADEMY DATES:
JUNE 27- NOVEMBER 15
DEADLINE TO APPLY: MAY 15**

We're dedicated to preparing qualified individuals to serve their community. Our fire academy prepares you to meet NFPA 1001 standards and earn your SFFMA certification.

Flexible Training with the volunteer firefighter in mind: Complete online coursework on your own time and attend practical skills training one weekend per month.

What You Need to Join: Sponsorship & letter of support from a fire department and Personal protective gear that meets NFPA standards.

Interested in joining Robinson VFD? Apply at robinsonfire.org/join. Accepted members may attend at no cost.

Full schedule, requirements, cost info (including grant funding options), and more available online.

This is not a Texas Commission on Fire Protection (TCFP) academy. Graduates of this program will obtain a Firefighter II certification from the State Firefighters and Fire Marshals Association of Texas (SFFMA) upon passing the SFFMA written test. However, SFFMA provides a path for FFII certificate holders to challenge the TCFP exam. The department can assist you in this process.
