

FOR IMMEDIATE RELEASE

SideWork App Launches in Phoenix, Arizona

Phoenix, AZ - June 1, 2024

SideWork, an innovative mobile application designed to connect individuals needing home or business services with qualified contractors, has officially launched in Phoenix, Arizona.

Key Features of Side Work:

Easy Job Posting and Bidding:

- Users can post their projects with detailed descriptions and pictures, making it easy for contractors to bid on the jobs they are interested in.
- The app uses AI and facilitates a transparent bidding process, allowing users to choose the best contractor based on bids, reviews, and ratings.

Secure Payment System:

- SideWork integrates with Stripe Express to offer a secure and efficient payment system.
- Payments are only transferred upon job completion, ensuring satisfaction for both parties.

Verified Contractors:

- All workers on the SideWork platform undergo a thorough background check to ensure they have no history of violent crime or theft.
- Contractors are required to provide valid ID and proof of their skills and qualifications.

Real-Time Map and Notifications:

- The app features a real-time map that displays available contractors in various areas, making it easy for users to find help nearby.
- Users receive notifications for bids, project updates, and messages from contractors, ensuring smooth communication throughout the project.

User-Friendly Interface:

- The SideWork app is designed with a clean and intuitive interface, making it easy for users of all ages to navigate and use the platform effectively.

About SideWork:

SideWork was created with the vision of simplifying the process of finding and hiring reliable service providers. The app is designed to bring transparency, security, and efficiency to the home and business services market. By connecting users with skilled contractors, Side Work aims to foster a community of trust and excellence.

Quote from the Co-Founders:

We are excited to launch SideWork in Phoenix, a city known for its vibrant community and growing demand for quality service providers. Our goal is to make it easier for people to find trustworthy professionals for their home and business needs while providing contractors with a reliable platform to find work. We believe that SideWork will make a significant impact in the local market and set a new standard for hiring mobile services.

Availability:

The SideWork app is now available for download on both iOS and Android platforms. Phoenix and all State of Arizona residents are encouraged to download the app, create an account, and start experiencing the benefits of this innovative service.
