

April 2026 Curriculum

Taking Care of Our Earth

This month we are taking a look at how we can be caretakers of the planet and all that grows on it! From turning off lights when we are done in our room, to recycling papers we no longer need, there are a dozen tiny ways to take care of the planet that gives us so much. Speaking of what the earth gives us, we'll be learning a little more about the plants and animals that share our space as we ramp up our time outside, rain or shine.

Unit Vocabulary:

Reduce, Reuse, Recycle !!!

Unit Bible Story: *Easter: The Death and Resurrection*

Easter is happening at the beginning of the month, but we will spend all month talking about the way Jesus loves us! We will talk about *The Last Super, The Crucifixion, and The Resurrection* in age appropriate levels in the classroom. The focus will be on Jesus's act of love, the miracle of the resurrection and his last commands to us; *Love God, Love Others*.

American Sign Language (ASL) and Spanish Vocabulary

Learning to introduce ourselves. Practice continues as we try finger spelling our names during introductions.

*¡Hola!
¿Quieres
aprender
español?*

Unit Songs

What a Wonderful World, Danny Go! (ASL), Hosanna, Sampung Mga Daliri (Ten Little Fingers) - Hiriya TV

Cultural Celebration

Every month we will be celebrating a new culture, country, or subgroup. We'll learn about their culture, their music, their food, and their importance to people here at Gentog. This month we are celebrating the Philippines!
