

March 2026 Curriculum

Spring Showers

It's time to learn about the water cycle! Where does water come from, where does water go? How do people get water where they need it? We'll learn about how farmers water crops, how the water gets to our showers and how people get clean drinking water.

Unit Vocabulary:

Rain, River, Ocean, Evaporation, Cloud

Unit Bible Story: The Great Flood

We'll learn about how Noah trusted God even when he didn't understand what God was asking from him, and how God protected Noah and his family during the flood. We will also talk about how God keeps his promises and the rainbow we can see after rain that reminds us.

American Sign Language (ASL) and Spanish Vocabulary
Learning to introduce ourselves.

Unit Songs

What a Wonderful World, Danny Go! ASL and Itsy Bitsy Spider

Unit Project

Penny Drive has already begun! We will continue with the drive and learn about how it will help a family across the world from us.
