Spring Showers

Gentog is all about family! Gentog was made to keep families together. This month we are taking the time to learn about our own family and our friends' families. All families look different and the same. We have different things we like to do together, and different ways to help each other. At the end of the month we will have amazing opportunities to meet the families we have learned about in May. We have the concert with country singer Lexi Tucker on Saturday the 30th. The concert and family worship nights every Thursday are designed with you and your little ones in mind. Come - sing & dance with us!

Unit Bible Story: I Can Do All Things

We will be memorizing a Bible verse! **Philippians 4:13**

We are focusing on the students' abilities to do or become anything. We want to make sure that they know not only do we have their back, but so does God!
