

October 2025 Curriculum

Falling in Love with Jesus

Join us as we jump into our new unit on Autumn! We'll learn all about fall, the changing of the weather and leaves, and importantly, how to stay safe while out and about doing fall activities. We'll learn about pumpkins and pumpkin patch safety.

At the same time, we will be talking about how Jesus loved and cared for children during His time on earth, calling for the children to come to him and reminding other believers to follow their lead. An important reminder of both Jesus' love and that children can be excellent leaders!
