

November Curriculum

With My Own Two Hands

Our future readers and leaders are always on the Go! So for this month we are going to take it Slow! This month we are going to stop and smell the roses (or the pumpkin pie spices) and learn to be thankful for what we have. What does it mean to be thankful, what are we thankful for, and even how do we show thanks when we're disappointed. This unit is also preparation for our Christmas Season! It starts by talking about how to react to a gift we may not like (thankful that the person thought about us), and turns into listening to Jinglebells 500 times in a row. 😊🎄

Unit Vocabulary:

Thank You - in multiple languages!

Bible Story - Queen Esther

Esther was  in a tough spot! Her whole family was going to be punished for something they didn't do! Thankfully Esther was in the right spot to make a change and save everyone! All she had to do was trust God and be Brave! As we learn about Esther's story, we'll talk about how we can change the world for better with our own two hands, and a little bit of faith!

Cultural Celebration

While we don't talk about the history of Thanksgiving in preschool, we do want to take the time to celebrate the various indigenous cultures of North America. Inuit, Kalapuya, Ojibwe, Diné, Nahuatl, we will strive to share as many traditions, and stories from tribes and nations all over North America.
