## The Love For The Holy Qur'ān

Hadhrat Mufti Mahmud-ul-Hassan Saheb Gangohi رحمه الله عليه once asked a student who was becoming a Hāfiz of The Holy Qur'ān that, "how much dhor do you recite?"

The student said, "half a para", on this reply Hadhrat رحمه الله عليه said, "for a very long period of time I have recited half of the Qur'ān in Salāh daily, and in the month of Ramadhān my practice is to recite the whole Qur'ān daily".

The grandmother of Shaykh al-Hadīth Hadhrat Moulānā Muhammad Zakariyya Saheb رحمه الله عليه was a Hāfiza of the Qur'ān. It was her daily routine to recite one manzil per day, and in the month of Ramadhān she would recite forty paras daily.<sup>1</sup>

May Allāh Ta'ālā grant us the same love for the Holy Qur'ān
