

## Snowball Scrap Quilt

Approximately 40" x 54"

## Supplies

(108) 5" scrap squares -or- (63) 6.5" scrap squares

(216) 2.5" contrasting squares -or- (126) 3" contrasting squares

## Sewing

Sew a contrasting square to opposite corners of each large block, stitching from corner to corner. Fold the triangle toward the corner and press.

Arrange the blocks into rows following the diagram so that the corner triangles form new squares of contrasting fabric. Sew the blocks into rows and then the rows together.

No borders necessary.
