

Disappearing Nine Patch

Finished size 40 x 56

(14) 6" or larger strips WOF or 9 fat quarters or scraps, (5) 2.5 inch strips for binding, 44 x 60 backing, batting and label.

Cut 81 - 6" squares. Nine centers, 36 corners (feature fabric) and 36 side fabrics. Make (9) 9 patch blocks.

One option is to make all of the center blocks the same (or similar), make the corner blocks the feature fabric and the side blocks another coordinating fabric. Or it can be totally scrappy.

Make (9) 9 patch blocks. Cut each one into equal quarters. You will have 36 8.5 inch blocks. Arrange in a pleasing pattern, 5 blocks across and 7 blocks down. You will have 1 block left over. Sew and quilt as desired.
