

LIBERTY ALL CHURCH

Sunday Services

Worship 9:30 am
Sunday School 10:30 am

Wednesday Night Bible Study

Wednesdays at 6:00 PM
Meal and Bible Study

Spring Forward Into New Life

Are you ready to get rid of those winter blues?

In today's fast-paced world, many people are searching for peace. Our schedules fill quickly, and the noise of everyday life can make it difficult to slow down and listen for God's voice.

Jesus offered a simple invitation in Matthew 11:28:
"Come to Me, all who are weary and burdened, and I will give you rest."

True peace is not found in having fewer responsibilities but in learning to bring every concern to the Lord. Prayer, Scripture, and quiet reflection restore our hearts and remind us that God is in control.

When we pause and spend time with Him, our perspective changes. The problems that once felt overwhelming begin to look smaller in the presence of His peace.

Let's Worship Together!

Spring Happenings

March 29, 2026

Psalm Sunday service

April 5, 2026 Easter Sunday

May 3, 2026 Homecoming
Lunch to follow!

THE STRENGTH OF OUR CHURCH FAMILY

One of the greatest blessings God provides is the gift of a church family. Faith was never intended to be lived alone. From the earliest days of Christianity, believers gathered together to worship, pray, encourage one another, and share life's burdens.

Liberty All Church is far more than a building where people gather on Sundays. It is a living community of believers connected through faith in Christ and united by the love of God. Within that community, we find strength, support, and encouragement for the journey of life.

A God Designed Community

From the beginning of creation, God made it clear that people were not meant to live in isolation. In Genesis 2:18, the Lord said, "***It is not good for the man to be alone.***"

This statement shines truth about human life, we are created for relationships.

The New Testament church demonstrated this beautifully. Acts 2:42 tells us that the early believers "*were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer.*" They shared meals, supported one another, and lived in unity.

Their faith was strengthened because they walked together. Our church today continues this same pattern. When Liberty All gathers for worship, Bible study, and fellowship, we are participating in a tradition that has strengthened Christians for generations.

Serving Together is a powerful way the church family grows stronger. When believers join together to help others, whether through ministry, outreach, or acts of compassion, we become the hands and feet of Christ in the world.

Serving reminds us that every person has gifts and abilities that can be used for God's purposes.

1 Peter 4:10 says, "As each one has received a special gift, employ it in serving one another as good stewards of the manifold grace of God."

Some people serve by teaching, others by encouraging, organizing, helping, or praying. Every role matters.

When each person contributes their gifts, the church becomes a vibrant community that reflects God's love to the world.

A Family Rooted in Christ
At its heart, the strength of a church family comes from its foundation in Christ. Our unity comes from a shared faith in Jesus.

Through Him, we become part of something greater than ourselves. We become brothers and sisters in a spiritual family that spans generations and reaches across the world.

- In times of joy, we celebrate together.
- In times of sorrow, we support one another.
- In every season, we walk together in faith.

For many, church becomes one of the most meaningful sources of friendship, encouragement, and spiritual growth in their lives. As members of the body of Christ, each person has an important place within the church family. Together, we strengthen one another, serve our community, and reflect God's love in a world that deeply needs hope.

When we live out our calling, the church becomes exactly what God intended, a place where faith grows, hearts are encouraged, and lives are transformed.
