

Grooming Check-In Questionnaire

Pets Name:

Age:

Weight:

Breed:

- When was the last time your dog was professionally groomed?
 - How often do you normally have your pet professionally groomed?
- Have you or your dog ever had a negative experience with grooming?

Is your dog current with veterinary care including up to date on all vaccinations?

Has your pet ever shown signs of aggression?

What are your priorities with your dog's grooming?

- ____ I want them cared for while they are being groomed. (older, special needs or just your baby)
- ____ Fresh, clean and smelling good
- ____ Health Health Health. Do the things I can't. Nails, glands, ears and teeth!
- ____ We need a makeover, where do I start!
- ____ Show quality cut

Describe your dog's coat. (short/long/fluffy/curly/thick)

Are there any problem areas? (matts/sores/tumors/hot spots)

Does your dog have any sensitivities? (if so you have the option of providing your own products)

Finally is it ok to use any pictures that may be taken of your dog before/during/after grooming on social media?

*Respectfully,
Jamie Holes
The Pampered Paw*
