

UNITED FOR THE CULTURE

United for the Culture SCHOLARSHIP APPLICATION

Dear Applicant,

We are thrilled to offer an exciting opportunity for the bright and ambitious high school graduating seniors in Guam. United for the Culture (U4C), is a newly established nonprofit organization, dedicated to fostering academic growth and opportunities within our community. In line with our mission to support and elevate the aspirations of our youth, we are delighted to announce the availability of scholarships specifically designed for students eager to pursue their academic studies beyond high school.

United for the Culture was founded on the principles of empowerment and giving back. We take pride in our roots and are committed to contributing positively to the lives of those around us. Through initiatives like this scholarship, we aim to open doors for students to achieve their fullest potential, making their academic dreams more accessible and attainable.

This year, in the spirit of giving and community celebration, the scholarships will be awarded at the annual Juneteenth celebration on June 6, 2026. This occasion not only marks a significant moment, but also represents our commitment to education and empowerment. The scholarship process will include an interview on a specified date to better understand the applicant's aspirations and academic goals.

We encourage every eligible student to seize this opportunity. The scholarship aims to alleviate some of the financial burdens associated with post-secondary education, allowing students to focus more on their studies and less on financial constraints. In closing, we would like to express our heartfelt thanks to you for your dedication to academic success and community involvement. We look forward to receiving your application and are excited about the potential to contribute to your academic journey.

Warmest regards,

Bianca McCray
