

Occupational Therapist (1.0 EFT Term until March 31, 2027 with possibility of extension)

Closing Date: Friday, July 31st at 4:00 PM

Children's Therapy Collective is a multidisciplinary practice offering Occupational Therapy, Speech-Language Pathology, Physiotherapy, Tutoring, and Counselling services to children and youth. Our practice is based in Winnipeg, Manitoba, and offers services throughout Manitoba and western Ontario.

We are looking for a full-time Occupational Therapist to join our group of caring, skilled, and dynamic clinicians. This position is based 50% in Fort Frances, Ontario, servicing First Nations communities in the surrounding areas, and 50% working remotely from home.

Responsibilities:

- Provide high-quality Occupational Therapy services to children and youth, including assessment, intervention, and monitoring in one on one and in group settings.
- Support children aged 0-18 in all of their environments, including home, school, daycare, and others.
- Independently schedule all appointments and visits.
- Maintain detailed and up-to-date documentation, including chart notes, assessment reports, and progress reports.
- Collaboration with other clinicians to ensure the best possible service delivery to clients and their families.
- Design and delivery of professional development sessions for those supporting children in the communities.
- Practice in a manner that meets and/or exceeds the standard set out by the College of Occupational Therapists.

Requirements:

- Experience providing Occupational Therapy services to children ages 0-18 an asset. However, experience providing services to any age group of children will be considered.
- Master of Occupational Therapy degree & registration with the College of Occupational Therapists of Ontario, or eligibility to become registered with the College of Occupational Therapists of Ontario.
- Familiarity with common childhood diagnoses such as Autism Spectrum Disorder, Attention Deficit Hyperactivity Disorder, Sensory Processing Disorder, Cerebral Palsy, Developmental Coordination Disorder, etc.
- Proficiency with computer applications such as Word, PowerPoint, etc., and familiarity with e-charting systems.

Benefits:

- Supportive and collaborative work environment. Supervision will be provided.
- Option for dental/medical benefits.
- Professional licensing fees are covered while working in this role.
- Meals and accommodations included when in Fort Frances. Mileage provided for driving to and from Fort Frances.

To apply, please send resume and cover letter to Camilla Thorne-Tjomsland (Occupational Therapy Team Lead) at camilla@childrenstherapycollective.com. We thank all applicants for their interest, however, only those selected for an interview will be contacted.
