

Children's Therapy Collective – Occupational Therapist Position(s)

Children's Therapy Collective is a fast-growing multidisciplinary practice offering Occupational Therapy, Speech-Language Pathology, Physiotherapy, Tutoring, and Counselling services to children and youth in Winnipeg and surrounding areas.

We are looking for an occupational therapist to join our group of caring, skilled, and energetic clinicians on a contract basis. We are hiring for contractor and employee positions (variable EFTs up to full time).

Benefits:

- Contractors and employees are able to set their own hours and availability.
- Back-end administrative work completed by admin assistant (billing, client assignment, etc.).
- Paid time off for employee positions.
- Extended health benefits for employee positions.
- Access to spacious, comfortable treatment spaces with lots of therapeutic games, toys and resources already created.
- Opportunities to work collaboratively with other clinical disciplines.
- A supportive leadership team.

Responsibilities:

- Provide high-quality occupational therapy services to children and youth.
- Remain up to date on documentation/case notes on our secure online portal.
- Communicate effectively with caregivers of children and with Children's Therapy Collective owners.
- Practice in such a standard that meets and/or exceeds the standard set out by the College of Occupational Therapists of Manitoba.

Requirements:

- Master of Occupational Therapy degree & registration with the College of Occupational Therapists of Manitoba.
- Experience providing Occupational Therapy services to children.
- Ability to communicate in English and/or French. Ability to communicate in French or other languages besides English considered an asset.
- Liability insurance for Occupational Therapy practice in Manitoba.

To apply, please send resume and brief explanation outlining experience with Occupational Therapy and professional experience with children to camilla@childrenstherapycollective.com. Only those selected for an interview will be contacted.
