BB

Fits in Wooden Lighthouses 18" - 4'.
Fits in all sizes of Poly Lighthouses.

Colors Available: (L-R) Blue, Yellow, Red, Clear, Green

POLY VINYL birdfeeders & birdhouses

WHY POLY VINYL?

3 reasons why Poly Vinyl is a good option for your outdoor items

Environmentally Friendly

Poly Vinyl is made of recycled plastics such as milk jugs, detergent bottles, and more.

Long Lasting - Durable

Poly Vinyl is more resistant to water, splinters, cracks, and breaks than wood. This will create a longer lifetime for your product.

Low Maintenance

No maintenance is required for Poly Vinyl such as stain, paint or sealant. Keep it looking fresh by occasionally washing it with soap and water.

POLY VINYL LIGHTHOUSES

Why buy a Poly Vinyl lighthouse? There is virtually no maintenance such as painting. Poly Vinyl will not splinter, crack, or fade. It is also environmentally-friendly as Poly Vinyl is created from 90% post consumer waste such as recycled milk jugs.

To see benefits of buying Poly Vinyl, see page 4.
