ANTI-SLAVERY POLICY STATEMENT

We are committed to ensuring there is full transparency within our own business and in our approach to tackling modern slavery throughout our company, consistent with our disclosure obligations under the Modern Slavery Act 2015.

We expect the same high standards from all our Clients, Contractors, Suppliers and other business partners, and as part of our contracting processes, we will include specific prohibitions concerning modern slavery, whether of adults or children, and we expect that our suppliers will hold their own suppliers to the same high standards.

Vortex recruitment are committed to all our company policies. We adhere to the Act at all times and an original copy of the Act and our policy is circulated to all our employees.

We are a committed and compliant business and are regularly audited both internally and externally. We hold impeccable records of compliance.
