

MARCH 2025 MISSION REPORT

We had a fantastic March and had many new visitors to Church and classes. Three new people want to join the Church and asked to be Baptised on Easter Sunday! Amen! We have been averaging 80-120 in the field, 25-35 on Sundays and 12-25 during weekday classes. We had 3 salvations at Church and 5 at the Field! We have had a few members in the hospital in March and while I was visiting with them I the opportunity to visit with a Christian medical team and tour their facility that we are able to utilize for Free! Paise God! Mike and Jason from Springer Missionary Baptist Church, Our sponsor Church in Oklahoma came out at the begining of March and we worked on some projects and continued to search for more property.

Please continue praying for a property so we can add more trailers for the work camping program. We have many interested. Thank you all for your love and generous support. May God Bless Always!
