

Light of Grace Baptist Mission

HELP SUPPORT OUR HOMELESS HOUSING PROGRAM!

Praise the Lord! Our homeless housing program has been a huge success! We are ready to expand! We just purchased the property/lot where we feed the homeless every Sunday! This field is big enough to put in at least 6 more trailers to house the homeless as well as some day in the future to build a larger sanctuary for the homeless to attend Church! We are outgrowing our current Church house. When we can build a larger building, we will be able to convert our current Church back into a home to house another 4 Homeless as well as another trailer in the back.

A property half a mile down the street has also come for sale!

It's a 3-bedroom home with a very large lot in the back, we would be able to build 8 more rooms and 4 more bathrooms in addition to using the house to provide rooms for an additional 12 homeless members!

We have a lot of members who have monthly income but are not able to afford housing due to it being so costly. This would be the perfect opportunity to get them off the street into a stable living condition while they get back on their feet! Our members that have monthly income are elderly and we also have some veterans that we would like to move into these units.

Please help support us in the expansion to house more homeless! Our goal is to raise \$500,000 to buy the 2nd property and more camping trailers as well as build the additional rooms. With your support, this expansion would allow us to be able to house a total of 26 homeless members who believe in the Lord and help spread the Gospel to the other homeless in the City. If you would like to donate towards the expansion and sponsor a room. Thank you so much for your support!

Please write Homeless Housing you on your donation!

WWW.LIGHTOFGRACEMISSION.COM

- Goal 1: Raise funds to help purchase 2nd property: 4 bed/ 2 bath house with lot in back to add 8 more bedrooms and 4 bathrooms – Would be able to house 12 total
- Goal 2: Raise funds to add utilities to property 1 that has already been purchased. It's currently an empty lot that we feed the homeless on every Sunday.
- Goal 3: Build new sanctuary on field lot. This would allow us to feed directly from the Church on Sundays instead of a food line. We would also be able to have a much larger group of homeless attend Church! We would also have our donation room, kitchen and special bathrooms for the homeless right on-site at this location.
- Goal 4: Convert current Church back into a 4 bedroom home and add 1 more trailer to the back.
- Goal 5: Buy 6 Trailers for the back of new Church property.
