

# MAY 2024 MISSION REPORT

Light of Grace Baptist Mission has been very busy this May! The Lord has blessed us with with many visitors. We have had 2 Salvations at the Field and 4 at the Church! We are still averaging 60-100 in the Field, 12-20 at week day morning classes and around 30 at Church on Sundays! We also had 2 rededications in May We are hoping to have some Baptisms soon!

Mike with Springer Missionary Baptist our Sponsoring Church came out at the end of May to set up a camera so you will be able to view our Sunday Sermons on Youtube and Facebook! Scan the QR code on the back to watch!

We took the bus to Lone Mountain Missionary Baptist Church with a group of the guys to enjoy their Wednesday Evening Service and Pastor Craig treated them to ice cream after! Please pray that we are able to fix the air conditioner in the bus soon to keep everyone safe in the Las Vegas heat!

Mike and Erica with the Macedonian Missionary Services delivered our 3rd camper at the start of May! Theodore was blessed to start a new full time job and move into it shortly after! Pastor Craig bought him a bike to ride to work and he is doing great! We now have all 3 campers in the work program full with wonderful souls that love the Lord and are working hard to get back on their feet!
