

AUGUST 2024 MISSION REPORT FROM PASTOR CRAIG STARK

We have been very busy and blessed in August! The Lord has continued to bless us with many visitors. We had 4 Salvations at the Field and 1 at the Church! We have been averaging 70-120 in the Field, 12-20 at week day morning classes and 20-30 at Church on Sundays! Please pray for Denny, Fred, Matthew, Eddie and Larry as they start their walk with Jesus! We are very grateful to have them join us!

Todd and Jamie Ward from the Macedonian Missionary OutREACH are coming out in the last 2 weeks of September and we can't wait! Please pray for many souls to be touched and saved by the Lord!

Testimonial from Will Johnson, a member in our Work Camper program: I grew up in Alaska where you are stuck inside for most of the year due to the weather. Growing up I thought everyone drank alcohol and did drugs so I struggled with that for years. With the support of the Church and Craig, I recently went into a 6 month drug and alcohol program. Upon graduating I was able

to move right in to one of the Church campers and start working right away. This has been a huge help in my life to have a great support system while I get back on my feet. I refelct on Matthew 6:25 almost everyday and constantly remind myself that God's plan for my life is much greater than anything I can imagine. I also remind myself daily to let go and let God guide me because I know how much love he has for me. I also want to thank Pastor Craig and the Church for all the help they have given me and that I love them.
