Performing both original music written by saxophonist Liam Furey and also covers of jazz fusion, soul, and organ based blues, the band has been regularly gigging at Bay Area venues ever since its inception. Come enjoy the music and bring a picnic!

Sunday Music in the Square: Swing Shift

Swing Shift plays American swing – songs from the 1920s through the present day. Led by Richard Southwick on vocals and guitar, the trio features Nathan Ladyzhensky on violin and melodica, and Douglas Mandell on double bass. While the focus is on songs from the Great American Songbook, the band also likes to mix in Latin rhythms, Western swing, and modern pop tunes reimagined in a swing style.
