

Ameren Missouri Efficient Products Program

\$50 Smart Thermostat Rebate

Saving Energy Equals Saving Money

Through the help of advanced controls, like geofencing and occupancy sensing technology, eligible models of smart thermostats can help most customers lower their heating and cooling costs. Smart thermostats offer the most energy savings in homes that remain unoccupied for several consecutive hours and in which air temperature adjustments are in effect over a period of time. To learn more about the compatibility of eligible smart thermostats with your home's heating and cooling system, please visit the manufacturers' websites.

Energy Savings

Customers can save up to 15% on their cooling costs and up to 10% on their heating costs through the installation of an eligible smart thermostat.

Eligibility

An eligible smart thermostat must be installed with a central air conditioner, air-source heat pump or geothermal heat pump.

Eligible Smart Thermostats

To qualify for the \$50 rebate, the model must be listed on the eligible product list below.*

Brand	Model
Allure Energy	Eversense
American Standard	ACONT824AS52DA, ACONT850AC52UA, AZONE950AC52ZA, AZON1050AC52ZA
Bryant	Evolution Connex Control
Carrier	Infinity System Control

*The rebate only applies to new units. Refurbished models do not qualify.
Visit AmerenMissouri.com/products for a complete list of qualifying models.

Apply for Your Rebate

Get \$50 back on your purchase of a new eligible smart thermostat for your home. This rebate is good for purchases made January 8, 2018 through February 28, 2019. This offer cannot be combined with any other Ameren Missouri rebate or incentive on the same product. Limit one per cooling system and up to three per residential electric customer account. To receive your rebate, please fill out this form completely and mail or email it to the address below or visit AmerenMissouri.com/products to apply online. Please allow up to eight weeks to receive a rebate check once a completed rebate application has been received by the rebate processing center.

\$50 Rebate

Please include a copy of your dated sales receipt and/or invoice showing the manufacturer, model number and price of the eligible smart thermostat purchased. Incomplete information will delay or disqualify your rebate. All rebate requests must be postmarked no later than March 15, 2019. See AmerenMissouri.com/products. Some restrictions apply.
