

Residential High Efficiency Rebate Program Mail-In Application Form

Spire offers residential customers rebates to help make upgrading to more energy-efficient equipment easier. Follow the steps in this rebate application to start saving energy and money now and for years to come.

We offer rebates on high-efficiency **water heaters, furnaces, boilers, integrated systems and programmable thermostats**. To qualify for a rebate, your equipment must meet the following specifications:

Water Heating Rebates			Integrated Space and Water Heating Systems Rebates		
Equipment	Rated	Rebate	Equipment	Rated	Rebate
Gas tankless (less than 2 gallons)	0.82 EF or higher 0.80 UEF or higher	\$300	High-efficiency boiler with side-arm tank	90% AFUE or greater	\$450
Gas storage (20 - 55 gallons)	0.67 EF or higher 0.64 UEF or higher	\$200	High-efficiency tankless water heater	0.82 EF or higher 0.80 UEF or higher	\$450

Central Heating Rebates		
Equipment	Rated	Rebate
Programmable thermostat	7 day programmable, (5+2, or 5-1-1)	\$25 or 50% of the equipment cost, whichever is lower
Gas furnace	96% AFUE or greater	\$300
Gas furnace	92% to 95.99% AFUE	\$200
Gas boiler	90% AFUE or greater	\$300

AFUE = Annual Fuel Utilization Efficiency
EF = Energy Factor
UEF = Uniform Energy Factor

How It Works:

Getting paid to upgrade is easy. To better serve all of our customers, only qualifying equipment installed in a residence with an active Spire Company account by a licensed HVAC or plumbing contractor is eligible. Your contractor can help you select the right equipment to meet your needs.

1. Purchase and install qualifying equipment (see above list). Be sure to save all receipts and contractor invoices to complete your rebate application.
2. Complete your rebate application. Use this form or apply online at www.SpireEnergy.com and select Ways to Save.
3. Mail in the completed form and a copy of your contractor's invoice with complete manufacturer and model numbers and/or store receipt(s). **You'll receive your rebate check in about 4 to 6 weeks.**

What You'll Need To Apply:

- Your 10-digit Spire account number
- Receipts and/or contractor invoices to document manufacturer, full model #, price, date of purchase and installation date, and verify that the equipment was installed at the account address.
- We also ask, but do not require, an estimate of the age and efficiency of the equipment you are replacing. Your contractor can help you locate this information.

Need help at any time? Visit SpireEnergy.com and select Ways to Save or call 1-866-542-4352

Terms and Conditions

- Eligible equipment must be purchased and installed in a residence with an active Spire account.
- Installing contractors are not eligible to receive the rebate under the program.
- Water heaters must be rated with an Energy Factor (EF) or Uniform Energy Factor (UEF).
- Programmable setback thermostats qualify if they feature four (4) pre-programmed settings for 7 day, 5+2, or 5-1-1-day programming capability or is a Wi-Fi enabled thermostat.
- Rebates cannot exceed the final purchase price or out-of-pocket cost.
- A rebate for eligible equipment can be obtained up to one year after the purchase and installation as long as the applicant still owns and/or occupies the residence where the eligible equipment was installed and has an active Spire account.
- **Rebate Limit:** Individual dwelling units, as determined by account number, whether owner-occupied or rental property, are eligible for a maximum of two heating system rebates (furnace/boiler), two water heater rebates, or two integrated system rebates, and two programmable setback thermostat rebates, under this program. Owners of multiple individually metered dwelling units are limited to a maximum of 50 heating system rebates (furnace/boiler), 50 water heater rebates, or 50 integrated system rebates, and 50 programmable setback thermostat rebates during one program year.
- **Valid Installations:** Rebate applicable to installations performed by licensed HVAC or plumbing contractors certified to install natural gas furnaces or water heaters in your county. Self-installs are prohibited from receiving a rebate under the program except for programmable thermostats.

Additional Terms: This rebate is available to all Spire residential customers. It is subject to the terms and conditions of the program and to change or terminate without prior notice. Funding is limited. Funding is administered by EFI and provided to Spire customers in cooperation with the Missouri Public Service Commission, the Office of the Public Counsel, and the Missouri Department of Economic Development. Spire reserves the right to conduct field inspections to verify installations. Spire does not guarantee the performance of installed equipment expressly or implicitly. Any concerns regarding installation should be directed to your installer. Customer agrees that Spire has no liability whatsoever concerning the quality, safety and/or installation of the products or measures resulting from the application for rebate. Customer agrees to waive any and all claims against Spire and its affiliates, directors, officers, employees or agents, arising out of activities conducted by or on behalf of Spire in connection with application for any rebate(s) under the Residential High Efficiency Rebate Program.

Residential High Efficiency Rebate Program Mail-In Application Form

Step 1: Customer Information

Spire 10-digit Account Number as it appears on your bill: _____

Account Holder Name (Print): _____

Account Street Address: _____

City: County: _____ State: MO Zip: _____

Email Address (required for submission verification and status updates): _____

Home Phone: _____ Work Phone (optional): _____

Your rebate check will be mailed to your Account address unless you indicate otherwise here:

Payee Name (if different): _____

Mailing Address (if different): _____

City: _____ State: _____ Zip: _____

As a Spire customer: Owner Occupied Landlord Tenant Other

Type of dwelling: Single Family Multi-Family **This rebate:** did did not influence my purchase decision.

How did you learn about the Spire program? (check all that apply): Bill Insert Spire Website Print Ad Radio Billboard
 Internet Ad Friend/Family Contractor

Step 2: Product Documentation

New Equipment Data with Attached Receipt (required) **Date Purchased** _____

New Equipment Installed	Manufacturer	Model Number	Quantity	EF/UEF/AFUE Rating

Equipment Replaced

Equipment Replaced	Estimated Age	Manufacturer	Model Number	Fuel Source

Installer Name: _____ Phone: _____

Step 3: Signature

I have read and understand all the terms and conditions of the Residential High-Efficiency Rebate Program. I certify that the information I have provided is true and correct and the product(s) for which I am requesting a rebate meet the requirements of the program.

Customer Signature _____ Date _____

Step 4: Submit Your Application

Complete form, print and sign. Then mail this application along with a copy of a dated sales receipt/invoice showing manufacturer, model #, price and date of purchase to:

EFI - Spire East Rebate Program
 P.O. Box 2528
 Manchester, CT 06045
