 Enduring Harvest — Ironweed, Goldenrod & Crystal Infusion
The Herb of Strength, Persistence & Lasting Abundance
Old Spirits Wild Roots | First Night Hollow

Rising from the late-summer fields of First Night Hollow, Ironweed and Goldenrod stand together as symbols of endurance and reward — one rooted in unwavering strength, the other radiant with abundance and opportunity.

Enduring Harvest is crafted from wild-harvested Ironweed, Goldenrod, and naturally charged creek crystals gathered from the Hollow's flowing waters and ancient stone. Together, these plants embody the energy of persistence through hardship and the eventual rewards that come from steady effort and rooted purpose.

Ironweed carries the spirit of resilience — tall, enduring, and unbroken even in harsh conditions.

Goldenrod brings warmth, confidence, prosperity, and forward momentum.

Infused beneath Appalachian sunlight and open skies, this oil supports long-term goals, emotional endurance, sustainable manifestation, and the ability to remain steady through difficult seasons without losing hope.

This is not fleeting success.
It is earned harvest.

Enduring Harvest whispers:
What is built with patience and resilience will endure.
