Veilkeeper

The Working of Ancestors & Sacred Thresholds
Old Spirits, Wild Roots | First Night Hollow

Some paths are not walked alone.

Veilkeeper is a sacred anointing oil created for those seeking deeper connection with their ancestors, spiritual guides, family lineage, and the wisdom carried through generations.

Crafted from wild-harvested Trillium and infused with Angelica Root and High John the Conqueror Root, this oil honors the ancient understanding that wisdom often waits at the threshold—just beyond ordinary perception.

Trillium has long been associated with sacred spaces, hidden places, and the mysteries that exist between worlds. Angelica Root offers protection and spiritual shelter, while High John the Conqueror Root lends strength, confidence, and the courage to walk one's path with purpose.

Together they create a blend for listening, remembrance, guidance, and honoring the unseen threads that connect us to those who came before.

Veilkeeper does not seek to force communication.

It creates space for connection.

Whether used during prayer, meditation, ancestral remembrance, genealogical study, dream work, or quiet reflection, this oil serves as a companion for those seeking wisdom from the roots of their lineage.

Veilkeeper whispers:

The veil is not a wall.
It is a doorway.
