 Spring — Woodland Poppy & Crystal Infusion
The Herb of Renewal, Awakening & Sacred New Beginnings
Old Spirits Wild Roots | First Night Hollow

Emerging from the rich woodland floors and creekside hollows of First Night Hollow, Woodland Poppy arrives as one of spring's first bright awakenings — vivid, alive, and filled with the quiet promise of renewal after winter's stillness.

Spring is crafted from wild-harvested Woodland Poppy and naturally charged creek crystals gathered from the Hollow's flowing waters and ancient stone. This infusion carries the energy of emotional rebirth, fresh beginnings, and the gentle reawakening of joy, creativity, and hope after periods of heaviness or dormancy.

Woodland Poppy radiates living energy.
Not chaotic growth — but natural unfolding.

Infused beneath Appalachian sunlight and forest canopy, this oil supports emotional renewal, inspiration, optimism, and reconnecting with the beauty of possibility. Its energy feels vibrant yet soft — like the first warm breeze after a long cold season.

Spring whispers:
You are allowed to begin again.
