Warrior — Indian Pink Root, Jewelweed & Crystal Infusion

The Plants of Courage, Controlled Power & Anger Alchemy

Old Spirits Wild Roots | First Night Hollow

Deep within the shaded limestone hollows of First Night Hollow, Indian Pink rises with striking scarlet blooms — commanding, disciplined, and impossible to overlook. Nearby, Jewelweed thrives along wet ground and creek edges, carrying the energetic wisdom of release, resilience, and restoration after irritation.

Warrior unites wild-harvested Indian Pink root and Jewelweed with naturally charged creek crystals gathered from the ancient waters and stone of the Hollow. Infused beneath sunlight, this oil was created to help transform reactive anger into deliberate strength.

Indian Pink carries the energy of the spiritual commander — courageous, decisive, and firmly rooted in personal authority. Jewelweed tempers that fire, helping release emotional heat, resentment, and the urge to react before wisdom has spoken.

Together, they embody the disciplined warrior: not one who never feels anger, but one who refuses to be ruled by it.

This is not the energy of uncontrolled battle.

It is power with purpose.

Warrior whispers:

Your anger is not your master. It is energy awaiting direction.
