FULL DESCRIPTION

The Ascent — Jacob's Ladder
The Working of Higher Perspective
Old Spirits, Wild Roots | First Night Hollow

The Ascent is a sacred anointing oil created for spiritual elevation, expanded awareness, and the pursuit of higher understanding.

Crafted at First Night Hollow from Jacob's Ladder, this oil supports moments of growth, awakening, contemplation, and rising beyond limitation. It is a working for those seeking not escape from the world, but a clearer vantage point from which to move through it with wisdom and intention.

Jacob's Ladder has long carried associations with ascension, connection between realms, spiritual insight, and the gradual unfolding of consciousness. Its energy feels both expansive and grounded — uplifting without becoming untethered.

This is an oil of perspective.

Of climbing above confusion.

Of seeing the larger pattern.

Of recognizing that growth often happens one step at a time.

The Ascent is especially suited for meditation, reflection, creative visioning, spiritual study, and periods of personal evolution.

It whispers:

Rise higher. See more clearly. Become what you are capable of becoming.
