Grace — Wild Geranium & Crystal Infusion
The Herb of Compassion, Emotional Balance & Gentle Renewal
Old Spirits Wild Roots | First Night Hollow

Blooming quietly beneath the forest edges and Appalachian skies of First Night
Hollow, Wild Geranium carries a soft yet steady energy — tender without
weakness, grounded without heaviness.

Grace is crafted from wild-harvested Wild Geranium and naturally charged creek
crystals gathered from the Hollow's flowing waters and ancient stone. This
infusion was created for emotional healing, inner softness, and the quiet
restoration that follows difficult seasons.

Wild Geranium carries the energy of compassionate strength. It encourages
emotional openness while maintaining balance and rootedness, helping the spirit
release harshness, self-protection, and emotional exhaustion without losing its
center.

Infused beneath sunlight and woodland air, this oil supports emotional harmony,
forgiveness, self-compassion, and peaceful connection to both self and others.

This is not fragile energy.
It is softened strength.

Grace whispers:
You do not have to harden yourself to survive.
