Star Magic — Aster & Crystal Infusion

The Herb of Celestial Insight, Expansion & Sacred Wonder
Old Spirits Wild Roots | First Night Hollow

Beneath the open skies of First Night Hollow, wild asters bloom like scattered stars across the Appalachian hillsides — radiant messengers of intuition, hope, and unseen connection.

Star Magic is crafted from wild-harvested Aster and naturally charged creek crystals gathered from the Hollow's flowing waters and ancient stone. Long associated with wisdom, spiritual openness, and higher perspective, Aster carries an energy that feels both grounding and celestial — like moonlight settling gently over the mountains.

Infused beneath sunlight and sky, this oil supports synchronicity, intuitive awakening, dreamwork, and expanded spiritual awareness. It invites the spirit to soften, open, and remember its connection to something greater.

Star Magic whispers:

The universe is always speaking — learn to notice the signs.
