 Priestess of the Hollow — Trillium
The Working of Sacred Inner Knowing
Old Spirits, Wild Roots | First Night Hollow

Priestess of the Hollow is a sacred anointing oil created for intuition, emotional depth, spiritual discernment, and connection to the quiet wisdom that exists beneath the noise of the world.

Crafted at First Night Hollow from wild trillium, this oil supports moments of reflection, inner healing, contemplation, and the reclaiming of personal sovereignty. It is a working for those learning to trust themselves again — not through force, but through stillness, awareness, and deep inner listening.

Trillium has long carried the energy of hidden sanctuaries, ancient woodland wisdom, and the sacred feminine in its oldest form. Growing quietly beneath forest canopies and limestone hollows, it does not seek attention. It waits patiently to be discovered.

Its energy feels calm, grounded, perceptive, and quietly powerful.

This is an oil of inner authority.

Of listening beneath fear.

Of remembering what the soul already knows.

Of becoming still enough to hear your own wisdom clearly.

Priestess of the Hollow is especially suited for meditation, dreamwork, emotional restoration, sacred rituals, intuitive practices, and periods of personal transformation.

It whispers:

Be still. Trust yourself. The knowing is already within you.
