 Harvest Sun — Goldenrod & Crystal Infusion
The Herb of Manifestation, Vitality & Golden Opportunity
Old Spirits Wild Roots | First Night Hollow

As summer turns toward harvest across the hills of First Night Hollow, Goldenrod rises in brilliant waves of gold — resilient, radiant, and impossible to ignore. Long misunderstood by some yet treasured in folk tradition, this sunlit plant carries the energy of abundance, confidence, and forward momentum.

Harvest Sun is crafted from wild-harvested Goldenrod and naturally charged creek crystals gathered from the ancient waters and stone of the Hollow. Infused beneath sunlight, this oil channels warmth, personal power, and manifestation energy rooted in clarity and action.

Goldenrod has long been associated with luck, success, attraction, and energetic momentum — a plant that reminds the spirit to stand tall, shine fully, and move toward opportunity without fear.

This is solar energy anchored in Appalachian earth.

Harvest Sun whispers:
What you nurture with intention begins to grow.
