Harmony — Wild Phlox & Crystal Infusion
The Herb of Soul Connection, Resonance & Heart Alignment
Old Spirits Wild Roots | First Night Hollow

Across the meadows and woodland edges of First Night Hollow, Wild Phlox blooms in soft waves of lavender, pink, and violet — delicate yet deeply connective, carrying the quiet energy of companionship, understanding, and emotional resonance.

Harmony is crafted from wild-harvested Wild Phlox and naturally charged creek crystals gathered from the Hollow's flowing waters and ancient stone. This oil embodies the energy of authentic connection — not only romantic, but soulful in the broadest sense: friendship, kinship, shared purpose, creative partnership, and emotional belonging.

Wild Phlox carries an outward-reaching energy. It softens isolation, encourages openness, and reminds the spirit that meaningful connection begins with energetic alignment and emotional authenticity.

This is not possessive energy.
It is resonance.

Harmony whispers:
What is meant for you will recognize your spirit.
