The Knowing — Black-Eyed Susan, Aster & Goldenrod

The Working of Clear Sight

Old Spirits, Wild Roots | First Night Hollow

The Knowing is a sacred anointing oil created for intuition, discernment, spiritual clarity, and the quiet confidence that comes from learning to trust what your spirit already understands.

Crafted at First Night Hollow from Black-Eyed Susan, Aster, and Goldenrod, this oil supports perception, insight, emotional intelligence, and the ability to see beneath illusion without becoming overwhelmed by it.

Black-Eyed Susan carries an energy of awareness, observation, and grounded perception — the feeling of recognizing truth clearly even when it is subtle. Aster brings spiritual openness, expanded perspective, and intuitive softness. Goldenrod adds confidence, resilience, and an energetic steadiness that keeps insight grounded in action rather than fantasy.

Together, they create a working of balanced intuition:
open but protected,
aware but calm,
perceptive without fear.

The Knowing is not loud energy.
It is quiet certainty.

The moment your intuition speaks before logic catches up.
The feeling of recognizing what cannot yet be proven.
The deep inner understanding that asks to be trusted.

It whispers:
You already know. Learn to listen.
