FULL DESCRIPTION

Sensual Magic — Wild Ginger
The Working of Embodiment & Attraction
Old Spirits, Wild Roots | First Night Hollow

Sensual Magic is a sacred anointing oil created for confidence, magnetism, embodiment, and the awakening of personal allure.

Crafted at First Night Hollow from Wild Ginger, this oil supports those seeking deeper connection with their body, their presence, their confidence, and the quiet power of attraction that begins within the self.

Wild Ginger carries warm, grounding, and subtly intoxicating energy. In folk and conjure traditions, it has long been associated with attraction, vitality, desire, charisma, and embodied confidence — not frantic passion, but the slow-burning kind that draws others closer naturally.

Sensual Magic is not about performance.
It is about presence.

It is the energy of feeling fully alive in your own skin.
Comfortable in your own body.
Magnetic without trying.

Sensual Magic whispers:
You do not chase attraction. You become it.
