Alchemize Anger — Jewelweed & Crystal Infusion
The Herb of Emotional Transmutation, Cooling & Sacred Release
Old Spirits Wild Roots | First Night Hollow

Along the shaded creeks and moist woodland edges of First Night Hollow, Jewelweed grows in bright living clusters — a plant long associated with soothing, cooling, and restoring balance after irritation and intensity.

Alchemize Anger is crafted from wild-harvested Jewelweed and naturally charged creek crystals gathered from the Hollow's flowing waters and ancient stone. This infusion was created for moments of emotional overwhelm, frustration, resentment, and internal heat — when the spirit longs not to suppress emotion, but to transform it.

Jewelweed carries a uniquely balancing energy. It cools without dulling. Softens without weakening. Rather than pushing anger deeper, it encourages movement, release, and emotional clarity.

This is not the energy of denial.
It is the energy of transformation.

Infused beneath Appalachian sunlight and woodland canopy, this oil supports emotional regulation, energetic decompression, forgiveness work, and returning to inner steadiness after emotional storms.

Alchemize Anger whispers:
Your fire can become wisdom instead of destruction.
