Clarity at the Crossroads — Twinleaf & Crystal Infusion
The Herb of Discernment, Balance & Sacred Direction
Old Spirits Wild Roots | First Night Hollow

Deep within the woodland hollows of First Night Hollow, Twinleaf emerges briefly each spring — ancient, quiet, and deeply symbolic. Known botanically as *Jeffersonia diphylla*, this rare Appalachian wildflower carries an energy of duality, wisdom, and balanced perception.

Its paired leaves mirror the nature of crossroads themselves: two paths, two perspectives, two truths seeking harmony. Long associated with thoughtful insight and calm discernment, Twinleaf teaches the spirit to pause, breathe, and see clearly before moving forward.

Infused with naturally charged creek crystals from the Hollow's ancient waters and stone, Clarity at the Crossroads supports those navigating uncertainty, transition, spiritual awakening, and important life decisions.

This is not the energy of force.
It is the energy of knowing.

Clarity at the Crossroads whispers:
When the mind quiets, the path reveals itself.
