Spirit Eyes — Black-Eyed Susan & Crystal Infusion The Herb of Vision, Insight & Intuitive Awakening Old Spirits Wild Roots | First Night Hollow

Under the watch of the owl and the whisper of the creek, *Spirit Eyes* comes to life — an infusion of wild-harvested **Black-Eyed Susan (*Rudbeckia hirta*)** and **naturally charged creek crystals** from the heart of **First Night Hollow, Kentucky**.

This flower — bright as the sun, dark as the moon — holds the dual vision of the owl: seeing both surface and soul, shadow and truth. In Appalachian folk tradition, Black-Eyed Susan was a charm for *clear sight and good discernment* — a way to recognize what's real beneath what merely appears.

When infused with the quartz and fossil stones of the Hollow, this oil becomes a conduit for **second sight, lucid perception, and psychic awareness**. It supports diviners, dreamers, and seekers walking between worlds.

Spirit Eyes whispers:
See with more than eyes — perceive with knowing.
