Crown of Power — Turtlehead, Aster & Goldenrod Crystal Infusion
The Herb of Leadership, Sovereignty & Radiant Authority
Old Spirits Wild Roots | First Night Hollow

Born beneath Appalachian skies and rooted in the ancient energies of First Night Hollow, Crown of Power unites three powerful plant allies into a ritual infusion crafted for leadership, visibility, and grounded authority.

Turtlehead offers steadiness, composure, and deliberate strength.
Aster expands perception and spiritual awareness.
Goldenrod ignites confidence, vitality, and radiant forward movement.

Infused with naturally charged creek crystals gathered from the Hollow's flowing waters and fossil-rich stone, this oil embodies calm mastery rather than forceful dominance. It was created for guides, visionaries, healers, business leaders, creators, and those called to stand visibly in their purpose without shrinking themselves.

Crown of Power carries the energy of the sovereign self — balanced, centered, and unafraid to be seen.

This is not ego.
It is aligned authority.

Crown of Power whispers:
Lead with clarity. Stand with presence. Speak with conviction.
