### Showtime — Fire Pink & Crystal Infusion

The Herb of Visibility, Passion & Fearless Expression

Old Spirits Wild Roots | First Night Hollow

Blazing like a spark against the green hillsides of First Night Hollow, Fire Pink emerges with unmistakable intensity — vibrant, magnetic, and impossible to overlook.

Showtime is crafted from wild-harvested Fire Pink and naturally charged creek crystals gathered from the Hollow's flowing waters and ancient stone. This infusion carries the energy of stepping fully into visibility — speaking clearly, expressing boldly, and allowing the spirit to be witnessed without fear.

Fire Pink radiates creative fire and courageous presence. Its energy feels alive, passionate, and unapologetically expressive while still rooted in authentic selfhood rather than ego or performance alone.

Infused beneath Appalachian sunlight, this oil supports confidence, creativity, charisma, motivation, and the ability to move past fear of judgment or invisibility.

This is the energy of becoming fully seen.

Showtime whispers:

Your light was never meant to stay hidden.
