MISSION STATEMENT

At AllStar Mobile Tech, our mission is to empower aspiring automotive technicians with cutting-edge electronic skills and knowledge. We aim to bridge the gap between traditional automotive education and the rapidly evolving field of vehicle technology. By providing a comprehensive curriculum that blends theory with practical hands-on experience, we equip our students with the expertise needed to excel in and lead the future of automotive diagnostics and repair. We are committed to fostering innovation, professionalism, and leadership in an inclusive environment that prepares students for the challenges and opportunities of the automotive industry.

ALLSTAR TEAM

As the Founder and CEO of AllStar Accessories, Morris has over 20 years experience in the automotive industry and is well respected among industry giants. He has been featured in Mobile Electronics magazines, found great success in product sales. His business acumen helped him secure commercial accounts but his track record of delivering top-quality custom installations and exceeding customer expectations turned those customers into alliances. He has now built an AllStar team of faculty to assist with mentoring the next generation of Install-Stars!

MASTER TECHNICIAN COURSE

This 36-week course is designed for aspiring automotive electronics entrepreneurs looking to kickstart their ventures with innovation and business strategies. Join us to learn how to navigate the dynamic automotive electronics market, develop groundbreaking products, and build successful businesses that drive the future of automotive technology.

Course Content Includes:

- Harley Davidson Custom Detail Services
- Fleet Vehicle Service Contracts
- Becoming an Entrepreneur Networking Workshop
- Apprentice Technician Course
- Advanced Technician Course

Driving Innovation. Powering Futures

LETTER FROM THE CEO

As the CEO of our esteemed institution, I wanted to take a moment to applaud you for your dedication and resilience in pursuing your education. Your commitment to learning and growth is inspiring, and I am truly proud of each and every one of you. Know that you are part of a legacy of excellence. I've spent the last 20 years perfecting my craft. I'll commit the next 20 to developing the next generation of automotive specialists.

As we look ahead to the future, I am filled with excitement for what lies ahead. The automotive industry is undergoing rapid transformation, and your education here positions you to be at the forefront of this evolution. Embrace the opportunities that come your way, stay curious, and never stop learning. The skills and knowledge you acquire here will serve as the foundation for a bright and promising future.

In closing, I want to express my gratitude to each of you for choosing AllStar Mobile Tech as your academic home. Your presence enriches our community, and I am confident that together we will continue to achieve great things together.

Wishing you all the best in your academic pursuits and beyond.

-Morris C.
