

# TLI31222 CERTIFICATE III IN DRIVING OPERATIONS

## Course Overview

The **(TLI31222) Certificate III in Driving Operations** is a nationally recognised qualification available through a traineeship model. This pathway combines on-the-job training with structured learning, allowing participants to earn while they learn, while building practical driving and transport skills directly in the workplace.

This qualification covers an extensive range of elements to ensure drivers can confidently operate a heavy vehicle in all situations and environments — including urban, regional, and long-haul routes. It equips participants with the skills and knowledge required to manage daily driving tasks safely, responsibly, and in compliance with industry standards.

## Course Content

Training is tailored to suit workplace needs and unit selection. Core areas include:

- Safe heavy vehicle operation in diverse conditions
- Workplace health and safety adherence
- Load restraint and cargo handling per standards
- Fatigue management and driver wellbeing
- Chain of Responsibility (CoR) compliance
- Customer service and communication in transport

(Refer to the official unit selection for detailed electives and core units)

## Delivery & Assessment

This qualification is delivered through a traineeship pathway combining:

- On-the-job training – develop skills while working in the industry
- Online and/or face-to-face training sessions with industry trainers
- Assessment methods including practical demonstrations, workplace

This flexible delivery ensures learning is practical, relevant, and directly linked to the workplace.

- projects, written tasks, and online assessments

## Course Outcomes

On successful completion of all course requirements and assessments, learners will be issued with a Certificate and Record of Results

- **(TLI31222) Certificate III in Driving Operations**
