

HEAVY VEHICLE OPERATION INFORMATION

TLIL2060: Complete Induction to the Transport Industry

Course Objective

This unit involves the skills and knowledge required to complete workplace induction procedures when commencing work in the transport and logistics industry, in accordance with regulatory requirements, and operational policies and procedures.

The unit enables a driver to enter and participate in typical workplace activities. It includes identifying major areas of the industry in terms of functions, organisational structures and occupations; applying legislation, regulations and codes of practice; and identifying key industrial relations elements.

This unit applies to all employees wishing to enter the transport and logistics industry; It can also be used within the warehousing and logistics sectors of the industry.

Work is performed with limited or no supervision, and with full accountability and responsibility for self and others in achieving the prescribed outcomes.

Course Outcome

On successful completion of this course students will be issued with a statement of attainment.
