

TLILIC0001 LICENCE TO TRANSPORT DANGEROUS GOODS BY ROAD

Course Overview

This unit equips learners with the skills and knowledge required to obtain a Dangerous Goods (DG) driver license to transport dangerous goods by road.

The training focuses on compliance with regulatory requirements for the safe transport of dangerous goods. While successful completion of this unit is a mandatory requirement for licensing, additional industry-specific training may be required to fully meet legislative obligations

Course Content

This unit covers the knowledge and skills required to safely transport Dangerous Goods (DG) by road and meet licensing requirements. Learners will develop practical capability in:

- Understanding roles & responsibilities
- Dangerous Goods identification
- Documentation & compliance
- Safe planning & transport practices
- Vehicle & load checks
- Emergency procedures
- Transfer of dangerous goods

Course Duration

2 Day –16 hours

Location

Delivered in the workplace and via supported online/face-to-face training

National Recognition

On successful completion of all course requirements and assessments, learners will be issued with a Certificate and Record of Results

- TLILIC0001 Licence to transport dangerous goods by road

Course Fees

Information about fees and charges is provided in the Schedule of Fees and Charges which will be included in your pre-enrolment information package.

The basic course fee is:

Two Day Course - \$625 per person

Please refer to the Schedule of Fees and Charges as it contains essential information about related charges and our refund policy.

Delivery & Assessment

Face to face delivery

There are theory and practical training and assessment components to the course.

A simulated industry environment that reflects real workplace conditions will be required for the practical component.
