Community

What an amazing week we had with all our community helpers! The kids (and the adults) loved seeing and meeting everyone and seeing all the cool things they brought with them!

Thank you to Officer Morgan and Officer McAfee for starting our week off and letting us all see your police cars! And showing us how hand cuffs work on Ms. Nelson!

Thank you to Doctor Morrow for showing us how stitches work (on real pig's feet!).

Thank you to Ms. Angie for showing us the proper way to brush our teeth and for the goodie bag. Thank you to Ms. Bea for taking our blood pressure and giving us some really cool band aids! Tuesday was a busy one!

Wednesday was our live animal day! Thank you to Mr. Jeremy for bringing in bees for us all to see and explaining how the colony functions. He also brought the gear he wears so we could all see it. Thank you also to Mr. Ronney and Mr. Stacy for bringing a horse, Joker, and showing us how you shoe him.

Helpers

Thursday, we went to court. Ms. Jesse was our lawyer and also brought scales of justice and one of her law school textbooks for us to see. Thank you, Ms. Jesse! Another thanks to Ms. Sharon Collum for acting as our judge.

We also had Mr. Johnny bring his tractor (and dog) for the kids to see. They were able to sit in the seat and pretend to drive, and then, most importantly, pet Delilah.

Friday, we finished off our week with a firetruck and two ambulances! Thank you to the fireman: Mr. Jeremy, Mr. Herrod, and Mr.

Landon who brought their truck and explained their job to us. Thank you also to all the EMTs: Ms. Nena Claire, Ms. Morgan Holt, Ms. Vera, and Ms. Michelle who brought two ambulances and let us walk through and see all their tools for helping people!

It was such an amazing learning experience for everyone involved. We all enjoyed it immensely! Again
